

Patient and Family Cancer Support Center

NOW OPEN

(Located on the 1st Floor next to the Gift Shop)

For All Cancer Patients and Survivors

We offer the following services, which are all free and are open to UCSF cancer patients and survivors and their caregivers, as well as Non-UCSF cancer patients and survivors:

- Information and resources specific to cancer types
- Exercise classes: Yoga, Core and More, and Restorative Movement/ Feldenkrais ®
- Meditation and Guided Imagery classes
- Support Groups
- Peer Support Program
- Online resources

We also host a workshop series on topics that are of interest to cancer patients, which are open to the public at large. These events are also free, but pre-registration is required, as space is limited. Some of these events are also recorded for later viewing on our website.

For UCSF Cancer Patients

The following services are available at no cost to UCSF cancer patients:

- Nutrition Counseling
- Exercise Counseling
- Art for Recovery
- Social Work
- Spa Infusion Program

Most insurance is accepted for the following services:

- Psycho-Oncology services, including group programs for current patients and survivors
- Symptom Management Services
- Integrative Cancer Care group visits
