Sequencing of Treatments for NETs

Speaker: Dr. Emily Bergsland, MD

Moderator:
Maryellen Collamore, ASW, MT-BC

*Light refreshments will be served. Open to all patients with NETs or Carcinoid and their partners, caregivers, and family **regardless of where you are receiving care.** Due to the focus and intimacy of a support group it is closed to others.*

To help with our planning please register to attend at bit.ly/sfzebra

Drop ins are also welcome.

As an ongoing reminder, the group will meet the first Saturday of each even-numbered month from 1-4 in Walnut Creek AND the first Wednesday of each odd-numbered month from 12- 2 at UCSF Mission Hall, same time and location, whether there is a speaker scheduled or not. Please visit Cancer.ucsf.edu/support/crc/ or Norcalcarcinet.org/meeting-schedule for details
